WORLD MISSION SUNDAY 2023: October 22

Our Diocese is celebrating the annual *World Mission Appeal* this weekend, October 21-22, 2023. We are invited again, with Catholics throughout the world, to recommit to our shared call to mission. World Mission provides us a tangible opportunity to assist our Catholic brothers and sisters in faith by supporting and sustaining priests, religious and lay pastoral leaders in more than 1,100 mission dioceses in Asia, Africa, the Pacific Islands, and parts of Latin America and Europe. Through our generosity and prayers, we will empower Catholic leaders in the developing world to serve the hungry, protect the persecuted, and serve the abandoned in their midst.

As per Archbishop Christophe Pierre, the Apostolic Nuncio to the United States, "This support makes possible the proclamation of the Gospel, the celebration of the Sacraments, and service to the poor in mission dioceses. For the first decades of its life, the fledgling Church in the United States received essential support from the *Society of the Propagation of the Faith*, and the Catholics of this country have returned the generosity in abundance." For more information, please visit <https://www.missio.org>.

Your prayers are most treasured, and they, along with financial help offer on WORLD MISSION SUNDAY, answer Christ's call to be His witnesses. **Thank you!**

Catholic Social Teaching

There are seven themes of Catholic Social Teaching. The *Social Justice Committee* will present one theme each month. They provide a framework through which to understand modern Catholic Social Teaching and a guide to living our lives amidst the challenges of modern society.

This month's theme: **Life and Dignity of the Human Person**

The Catholic Church proclaims that human life is sacred and that the dignity of the human person is the foundation of a moral vision for society. This belief is the foundation of all the principles of our social teaching. We believe that every person is precious, that people are more important than things. And that the measure of every institution is whether it threatens or enhances the life and dignity of the human person.
